(appearance) Sep 20, I'm a bit confused and I am not sure whether the difference between what does he look like? and how does he look like? when asking about someone's physical appearance has How to ask about physical appearance Feb 24, Hello! I am writing this because I am a bit confused about the expression, "How is he?" I know that "How is he?" is asking about someone's current feeling. But I was wondering "Looks" Vs "appearance" | WordReference Forums Jun 26, In my view, 'appearance' encompasses clothing, grooming, figure, and looks. To me 'looks' is predominantly about facial beauty, but could at a stretch include one's figure as entry of appearance Nov 8, An entry of appearance is when a lawyer states her appearance for the record (it's "entered" into the record). For example, when a judge says, "Counsel, enter your people's appearance or appearances | WordReference Forums Sep 17, Appearance is what a person looks like; in this sense it's rarely used in the plural. "I liked her appearance but not the way she spoke." However, when we're talking about Look VS looks for

one's physical appearance Mar 28, I wonder if ONLY "looks" is accepted to refer to a person's physical appearance, and hence the following sentence is wrong: He has a handsome look. If the above is a YES, I their appearance/ appearances? Dec 8, Don't judge people on their appearance or appearances? I learnt that we say " people put their hats on their heads" so I guess the "s" in apperance should be possible Am i The difference between 'appearance' & 'appearing' Sep 25, "The appearance" sounds much better. As a rule we would avoid the gerund form when we have a readily available alternative noun form. The following, on the other hand, An adjective denoting "doesn't care about his looks" Nov 8, Slovenly doesn't sound any worse to me than impolite or superficial do. If you're worried about sounding too negative, you might consider some phrase like careless in Notice of Entry of Appearance as Attorney or Representative Oct 2, Hola, Do you think this translation is accurate? Como se diria? "Notice of Entry of Appearance as Attorney or Representative Before the Immigration Court"= Notificacion del A review of the energy storage system as a part of power Aug 1, The purpose of this study is to investigate potential solutions for the modelling and simulation of the energy storage system as a part of power system by comprehensively Energy Storage for Power Systems | IET Digital Library Coverage of distributed energy storage, smart grids, and EV charging has been included and additional examples have been provided.
