Battery replacement at Palestine site

How much do old batteries cost in Gaza? Every day, collectors in cars or donkey-drawn carts roam around Gaza, calling over loudspeakers for people wishing to sell old batteries. Depending on their size, old batteries can fetch up to \$2 apiece. Why are batteries needed in Gaza? A Palestinian worker carries a discarded battery at a warehouse in Jebaliya, Gaza Strip, on Dec. 15. In a territory suffering from chronic power outages, batteries are needed to keep most Gaza households running. How to dispose of old batteries in Gaza? The Gaza City municipality has a hazardous waste unit that is meant to safely dispose of old batteries. But Ahmed Abu Abdu, head of the unit, says very few batteries reach him. Instead, a small private industry has sprouted up. Is there a danger in Storing batteries in Gaza? "There is a real danger that these batteries are collected and stored randomly in the open air; not in warehouses," said Mohammed Musleh, an official with Gaza's Environment Authority. How many batteries are there in Gaza? The most pressing threat, he said, is that "the batteries break and ooze liquid that includes sulfuric acid and leaks into the soil and then the water aquifer." Gaza's Environment Authority estimates that there are 25,000 tons of old batteries piled up at several locations across the tiny and overcrowded coastal territory.
