reset circuit breaker factory in Greece

What to do if a circuit breaker trips?Turn off and unplug everything on the circuit, then reset the breaker. If it trips, turn off the breaker and call an electrician. Power off all electrical devices connected to the circuit breaker. Any device can create a demand on a single circuit and overload it, tripping the breaker off. How do I Reset my circuit breaker?To reset the main breaker: Turn off all circuit breakers. Flip the main breaker's lever to the ON position. Turn the circuit breakers on again, but individually and not simultaneously. Before you get started on resetting your circuit breaker, check out these tips to ensure you are being smart and safe. How to reset a tripped breaker?If you're unsure which breaker tripped, you might have to check each one. Sometimes, the breaker that tripped will be warm to the touch. This is the core of how to reset a tripped breaker. Push the breaker handle firmly to the "OFF" position. You might feel a slight click. This ensures the breaker is fully disengaged. How do I Reset my GFCI breaker?Resetting: If a GFCI breaker trips, it usually has a "Test" and "Reset" button on the breaker itself, in addition to the handle. You'll need to push the handle to "OFF," then "ON." If the GFCI is part of an outlet, you'll press the "Reset" button on the outlet. Troubleshooting: If a GFCI trips, check the outlets on that circuit. How do I Reset my AC breaker after tripping?Type I circuit breakers, such as ACBP-N, ACBP4-PL and ACB2-PL, automatically reset themselves after tripping. Find and correct the issue (short circuit or overload). No manual reset is needed -- the breaker will automatically reset once it cools and the fault clears. Why is my breaker not resetting?This is often caused by repeated tripping, corrosion, or wear and tear on the breaker's components. Overloaded Circuit Still Active - If the circuit is still drawing too much voltage, the breaker will not reset. Unplugging devices and reducing the electrical load may help resolve the issue.
